

## **Top 10 Museums in the Country**

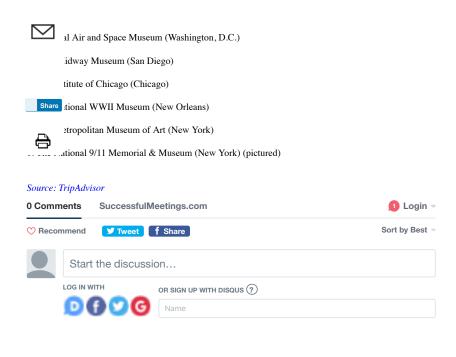

share

Meeting planners can often measure a meeting destination by the quality of its attractions. And when it comes to attractions, museums are some of the best. Here are the nation's 10 finest, according to TripAdvisor, which last week announced the 2018 winners of its Travelers' Choice awards for museums:

- 10. United States Holocaust Memorial Museum (Washington, D.C.)
- 9. NASA Kennedy Space Center Visitor Complex (Titusville, Fla.)
- 8. The Getty Center (Los Angeles)
- 7. American Museum of Natural History (New York)
